Thank you for thinking of Bunnyman Brewing for your event!

Bunnyman Brewing, a micro-brewery tucked away in the suburbs of Fairfax/Burke, Virginia, crafts high-quality beers with an exciting rotation of unique variations. Bunnyman proudly features an 18-tap self-pour system in the main taproom and an additional 9-tap system in the Mezzanine, allowing guests to pay by the ounce. There are 3 tasting areas – the lower main tasting room, an upstairs Mezzanine, and ample outdoor space, including a large Oktoberfest tent. Payment and Fees

BEVERAGE REDEEM

Bunnyman Brewing utilizes a self-pour system. With this system, guests pay by the ounce, customizing beer pours and sizes. This system allows for three available options of tabs:

- Host tab - The Host pays for entire event tab;
- Capped host tab - The Host sets an amount for the event tab. This option allows the host to use tapwall cards attached to their tab, OR the Host may provide tickets to their guests for Bunnyman staff to pour beers when they redeem their tickets (for example, one or two tickets per guest);
or
- Individual guest tabs - Guests of the event open their own individual tabs. Host is not responsible for paying their guests tabs.

RENTAL FEES

To rent the entire Oktoberfest tent OR the entire mezzanine, we require a rental fee of \$300 for the first 2 hours, and \$100 per additional hour. Additionally, we will require a minimum host tab depending on the number of guests (on average \$8-10/guest) + 18% gratuity.

DEPOSIT AND PAYMENT

100% of facility fee is required, as a deposit, at the time the event agreement is confirmed. Host may pay in person, or provide credit card information over the phone.
